Dear Parent/Carer

Year 8 Curriculum and Options Evening - Thursday 13th February 2020

As you will be aware, your son/daughter is currently deciding which subjects to study in Years 9, 10 and 11. Some subjects are compulsory in the National Curriculum; others are optional.

In order to support you and your son/daughter in deciding which option subjects to choose, we would like to invite you to our Year 8 Curriculum and Options Evening. The Year 8 Curriculum and Options Evening is an information-giving session in School, where you can hear about the Options process in more detail, and ask questions, both to specific Subject Leaders and to senior members of staff, who can offer you their advice.

The evening will run from 6.00pm until 8.00pm, with a subject fair in the Sports Hall all evening and information-giving sessions in Coombe Hall about the options process at **6.00pm** and **7.00pm**. Refreshments will also be available in the Sports Hall. Please choose the information-giving session most convenient to your arrival time. If you are travelling to the event by car, please kindly park on the school playground.

If you have any questions about your son's/daughter's curriculum package, or any other aspect of the Key Stage 4 Curriculum, please raise these on the evening or contact Mr Emery, Pastoral Manager for Year 8 or me at the School.

I do hope you find the evening helpful and informative.

Yours sincerely

Mr P.S. Banks
Deputy Headteacher
