

## WHOLE SCHOOL

### Warwickshire School Health

In light of the current COVID-19 situation and direction from the government, Compass Health and Well-being Service have cancelled all non-essential visits by nurses to schools.

Their priority is to continue to promote and protect the health and wellbeing of children, young people and families in Warwickshire. Therefore we would like to reiterate that parents/carers and young people are still able to contact a member of the school health team for advice and support when needed.

- Parents/carers can call the service on 03300 245 204 or text Parentline on 07520 619 376.
- Young people aged 11-19 can text ChatHealth on 07507 331 525.
- These services are available Monday-Thursday 9am-5pm and Friday 9am-4.30pm.
- Their webpage contains useful information for children, young people and their families and will be updated with the latest information and advice  
<https://www.compass-uk.org/services/warwickshire-school-health-wellbeing-service/>
- Support and information is also available from the Family Information Service (FIS) -  
<https://www.warwickshire.gov.uk/fis>

## YEAR 11

### Leaver Year Books and Hoodies

Dear Parents/Carers,

As you know traditionally our students can buy a hoodie and Yearbook to mark the completion of Year 11. COVID -19 has of course disrupted this process, however we hope to produce a Yearbook later in the Year so that Prom photographs can be included. I have posted a link below for the purchase of a Leaver's Hoodie, the whole process of which can be managed online. I intend to 'open' the online shop from Friday 12th June until Thursday 18th June. The hoodies have to be home delivered at the current time and there is an additional cost for this. The delivery time is approximately 3-4 weeks from when the shop closes next Thursday. If you have any queries please use the 'contact us' email for school.

Thank you.

Mark Davies

Progress Leader for Year 11
