

Minimising contact with anyone who is unwell

WHAT THE SCHOOL WILL DO	WHAT PARENTS SHOULD DO	WHAT STUDENTS SHOULD DO
<p>Anyone displaying COVID symptoms will not be permitted to attend (staff or students).</p>	<p>Be vigilant and keep children at home if they are displaying COVID symptoms</p> <ul style="list-style-type: none"> • high temperature • new, continuous cough • loss or change to your sense of smell or taste 	<p>Inform parents/carers if they feel unwell.</p> <p>Inform an adult at school if they feel unwell during the school day.</p>
<p>If anyone becomes unwell with COVID symptoms whilst at school, they will be moved to a designated room away from other students and sent home. They will also be advised to isolate for 7 days.</p>	<p>Arrange for prompt collection from school if contact is made.</p> <p>Arrange for students to be tested if they are displaying symptoms.</p> <p>Keep your child at home for 7 days.</p>	<p>Inform an adult at school if they feel unwell.</p> <p>Remain in the designated room until you are collected from school.</p> <p>Remain at home for 7 days.</p>
<p>If anyone within a bubble tests positive, the school will take advice from Public Health England and will inform all parents. The entire bubble would be asked to isolate for 14 days.</p>	<p>Keep children at home for 14 days as we have advised in this scenario.</p>	<p>Remain at home for 14 days.</p>
<p>Where there is an increased risk of someone coming into contact with the virus (e.g. when administering first aid) we will provide PPE.</p>		

Cleaning hands more often than normal

WHAT THE SCHOOL WILL DO	WHAT PARENTS SHOULD DO	WHAT STUDENTS SHOULD DO
Remind students of the importance of handwashing through daily reminders and posters around the site.	Ensure that students know how to wash their hands effectively.	Follow the guidance on handwashing.
Provide regular opportunities for students to clean their hands		Take every opportunity given to clean hands.
Remind students of the need to have their own personal hand sanitiser .	Ensure that students have their own hand Sanitizer.	Keep hand sanitiser on their person at all times.
Provide hygiene stations with hand sanitiser around the school site.		Use hygiene stations where hand washing is not possible.

Ensuring good respiratory hygiene

WHAT THE SCHOOL WILL DO	WHAT PARENTS SHOULD DO	WHAT STUDENTS SHOULD DO
Remind students of the need to have their own personal pack of tissues .	Ensure that students have their own tissues.	Keep tissues on their person at all times.
Remind students of the importance of good respiratory hygiene through daily reminders and posters around the site.	Ensure that students are aware of the ' catch it, kill it, bin it ' advice.	Follow the guidance on good respiratory hygiene.
Ensure that every room has a bin so that students can follow the 'catch it, kill it, bin it' advice.	Remind students to dispose of used tissues in the bins.	Use bins to dispose of used tissues.
Bins emptied daily.		

Cleaning frequently touched surfaces and avoiding spread through surfaces

WHAT THE SCHOOL WILL DO	WHAT PARENTS SHOULD DO	WHAT STUDENTS SHOULD DO
Cleaning schedules planned to ensure all rooms are regularly cleaned.		Show respect to the cleaning team who will be more visible during the school day than normal.
Inform students of the minimal equipment required to avoid unnecessary items being in school.	Ensure that students have the equipment required (and no more than this).	Only bring in equipment required.
Avoid activities where sharing of equipment is required. Where an activity does require us to provide equipment, students will be assigned their own set		Avoid sharing equipment used by others.
Lessons will be planned to avoid passing of papers/equipment.		Avoid passing papers to other students or to staff.
Each student will be allocated their own desk which they will use in the same venue every time they come into school.	Remind students of the importance of this.	

Minimising contact and mixing

WHAT THE SCHOOL WILL DO	WHAT PARENTS SHOULD DO	WHAT STUDENTS SHOULD DO
Each room is set up to allow social distancing to be enacted, with furniture arranged 2m apart . Floor markings around the site mark out 2m distances.	Remind students of the importance of social distancing (including on the journey to and from school) .	Adhere to social distancing protocols.
There is a zoned off teaching area marked on the floor to indicate a 2m area.		Do not enter the zoned off area.
Students are allocated into a 'BUBBLE' of students.	Inform students of their bubble number so they can easily be directed on their first day.	Make sure they know their bubble number.
Each BUBBLE has their own venue large enough to maintain social distancing.		Only enter rooms allocated to their BUBBLE.
Students from different BUBBLES will not be permitted to mix with each other on the school site.	Remind students of the importance of this and to continue to adhere to social distancing when away from the school site.	Remain with their bubble at all times on the school site.
Where practicable rooms will be ventilated by keeping windows and doors open .	If the weather is cool, ensure that students have a coat that they can wear inside.	Students will be permitted to wear coats (not hoodies) inside when windows are open.
Only essential visitors will be permitted onto site. Contractors on site will follow strict protocols.	Parents' meetings will take place by telephone and only in person if absolutely necessary.	

THANK YOU

We cannot eliminate the risk of someone contracting the virus on site.

We **CAN** do all we can to reasonably mitigate the risk.

Student and staff health, safety and well-being remains a priority and we will closely be monitoring students on their return to school.

Although we are doing our best, we cannot guarantee strict adherence to social distancing measures and consequently families with clinically extremely vulnerable individuals in their household should make an informed judgement about whether to send their child back to school at this stage

Thank you for your continued support.
