

22nd September 2020

Dear Parent/Carer,

Face coverings

As you are aware, I wrote to you on 11th September to explain that, following the increase in Covid-19 cases nationally, we were encouraging students to wear face coverings in school.

As I explained at the time, we were not making the wearing of face coverings compulsory - we were just strongly encouraging them to be worn to enhance the safety of our students and staff.

I have received a couple of queries since then regarding our policy on students wearing face coverings in lessons.

Having considered this further, I am happy to allow any student who wishes to, to wear a face covering in lessons, as long as they follow the rules and expectations I have set out previously about face coverings.

Coat for school

As the colder weather and rain start to set in at this time of the year, can I please remind you to ensure that your son/daughter has a suitable plain black waterproof coat and wears this on days when rain is forecast and during cold weather. Thank you.

With kind regards

Mr P Kelly
