Revision Guides

We have put together lists of recommended revision guides and useful websites which have been provided by the Subject Leaders for each of the subjects listed. We'd be grateful if you could share this document with your son/daughter so that they can make use of the list of useful websites in their homework and revision. If you are interested in purchasing the recommended revision guides, these can be obtained from well known book retailers or online. We hope you find this information helpful. Please follow this link for the lists and look under your Year group for the guide for that year:

YEAR 11

Revision Classes

We are launching a range of catch up classes this week for Year 11 aimed at supporting them in their preparations for next summer's exams. Details of the classes currently on offer are available from <https://drive.google.com/file/d/1M0ndE54hpHFwNG7fVCKt9fKEzO8Wytqb/view?usp=sharing>

This information has been shared with Year 11 students during registration. Please discuss with your son/daughter which classes he/she will be attending. Some subjects will be starting classes later in the term so please keep revisiting this document or checking with your son/daughter what is currently being offered. For subjects such as Art and Photography, the changes to the GCSE assessment requirements for next summer may mean that any catchup will be completed during normal timetabled lessons.

YEAR 9

HPV Immunisations – this Thursday 24th September

Please look out for an email from us sent last week regarding HPV Immunisations for our Year 9 students.

Please remind your son/daughter to bring a suitable **face covering** in with them and wear a **short-sleeved shirt** on this day. If your child only has long-sleeved shirts, please ask them to wear a plain tee-shirt or vest underneath their shirt.
