## **WEEKLY EMAIL BULLETIN FOR WEEK ENDING:**

7<sup>th</sup> January 2022

### **Department for Education's urgent call for support to encourage qualified teachers to return to teach on a temporary basis**

Are you a qualified teacher not currently working in the sector? We are asking for your help to support your teaching colleagues and the nation's children and young people through this difficult time.

Covid continues to impact schools and colleges in England. We want to make sure that as many supply staff as possible are available.

#### **Who can help?**

We're inviting qualified ex-teachers from primary, secondary and further education to step in and help teach children and young people in school and college on a temporary basis. You may be retired, taking time off to care for children or others, or currently working in a different area, but you may be able to spare some time to help.

#### **What's required?**

Your time will be invaluable, whatever you can spare - whether it is one day a week or five. You will be helping protect children and young people's education.

For more information, please see the information in the link below:
