**We are passionate and committed to hire and develop diverse young talent.**

At HSBC, our purpose explains why we exist – Opening up a world of opportunity. In the wake of the COVID-19 pandemic, the necessity for that mission is more applicable than ever for the next generation of talent. Due to this, HSBC Commercial Banking has created 3 exclusive, free to join events across October, all designed to open up a world of opportunity and increase the aspirations and employability of young people all over the country.

We would be grateful if you could share the below events with your students and parents and hope to welcome you next month.

#### **Panel Event - Meet our Commercial Banking colleagues - Tuesday 19 October**

This session will allow you to hear from and question a series of HSBC colleagues on their personal and career journeys, what working in banking is truly like, and some top tips.

The events are being held at 5pm until 6pm

These events are open to all such as parents, guardians, teachers and students.
