

## **NHS Allied Work Experience Programme**

We are delighted to announce that the NHS Allied Work Experience Programme is in full swing and available for your year 10-13 students to participate in.

Students who wish to participate in the session on **5th February** still have time to register and can register individual spaces or you can register them as a group online on the following link:

<https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

All students will be awarded with a Work Experience Certificate for participating in the day. This is something that they can include in their UCAS and Apprenticeship Applications. The next Work Experience day is on the Sunday 6th February and will cover the following healthcare careers:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and language therapy
- Pharmacy

The virtual work experience day will take place through an online portal and run LIVE from 10am-5pm, following 2 patients from their initial accidents through to recovery. Students will see them interact with a variety of healthcare professionals listed above so that they develop an understanding of the multidisciplinary team as well as insights into their own chosen career.

Students will also have the opportunity to interact with the healthcare professionals via a LIVE Chat function and polls throughout the day!

The cost to attend is £10/student per session, which is just an administrative cost to cover the set-up of individual portals, personalised certificates, safeguarding, the technology on the day, such as our servers and chat functions.

If you have any questions about the programme, please complete the following contact form: <https://airtable.com/shrM6UPT8Z2uxx7OL> or give our team a call on 01530 417299 and we will happily get back to you with a swift response.

We look forward to welcoming all potential healthcare students onto this national virtual work experience programme!

Best wishes

The Allied Healthcare Team
