

Dear Parents and Carers,

I thought I would start off our newsletter with a short festive joke! Why did the snowman call his dog Frost? Because Frost-bites! I apologise for the quality of my joke.

We hope this festive season brings joy and warmth to your homes. As we countdown to Christmas, here are some updates and reminders:

Christmas Spirit in Full Swing:

Today marked our non-uniform day, and the halls were filled with a spectacular array of Christmas jumpers, showcasing the creativity and festive spirit of both students and staff.

Upcoming Events:

Christmas Fayre (Monday, 18th December):

Students in Y7 and Y8 can join us for a delightful festive gathering filled with fun activities, crafts, and treats. Your support contributes to the vibrancy of our school community.

Maths Olympics (Wednesday, 20th December):

Get ready for a day of mathematical challenges and excitement. We encourage all students to participate and engage in this intellectually stimulating event.

Year 13 Trial Exams (Start 9th January):

A reminder for Year 13 parents and carers that the trial exams commence on 9th January.

Children's Commissioner's Survey:

Dame Rachel De Souza, Children's Commissioner for England, has initiated 'The Big Ambition' survey. We encourage children and parents to share their thoughts and perspectives. You can participate at www.childrenscommissioner.gov.uk/thebigambition

In Memoriam - Mr. Humphries:

It is with deep sadness that we inform you that a former member of staff, Mr Humphries, sadly passed away recently. Mr Humphries served at Higham Lane for a number of years until his retirement in 2005. He was a History, Business and Assistant Headteacher at HLS. Mr Humphries was instrumental in the School achieving Business and Enterprise status and the building of rooms BE1 and LA6. He was a lovely, kind and gentle man who will be sadly missed. Our thoughts and prayers are with his family at this difficult time.

CEAT Newsletter:

Christmas Break:

As a reminder, school will break up for Christmas on Friday, 22nd December at 12:30 pm.

It has been a fantastic week and I have seen so many amazing students in my office for a Headteacher's pen, a certificate and a tasty treat! This has included our new Year 7 House Captains, Faaris, Annie and Colin, Tom who has recently played the part of Miss Trunchbull in Bromage Theatre Company's production of Matilda the Musical, Sophie who has achieved Grade 5 in the flute, Ammerah and Nadiyah who recently played in an international squash tournament and come home with medals, Eve, Andy and Aysa who won the Remembrance inspired decorated focaccia competition, 29 students who made it through to the next round of the global computing BEBRAS challenge and 11 students who performed at the Albany Theatre in a Dance show. Wow! We are so lucky to have so many AMAZING students!

Wishing you all a weekend filled with festive cheer and joy.

Warm regards,

Michael Gannon Headteacher 🎄

across the UK via our Vinspired Youth Volunteering Programme – to help young people gain experience, learn vital skills and support local communities.

EXPLORE NOW

Who are Speakers for Schools?

Speakers for Schools is a social mobility charity, founded by ITV political editor Robert Peston and supported by the Law Family Charitable Foundation, that helps young people from UK state schools and colleges access vital opportunities to fuel their career ambitions, expand their networks and feel better prepared for the world of work.

Why do we exist?

When it comes to life outcomes and future careers, the 93% of young people who attend state schools face a disadvantage compared to the 7% who attend fee-paying schools.

Speakers for Schools helps address this inequality by enabling any young person currently in state education to access free life-changing and career-enhancing opportunities normally only reserved for the privileged few. Since 2010, we have supported more than 1.3 million young people and have seen a marked increase in demand for our services from state schools and colleges across the UK.
