

What are you doing this summer?

Spend your summer holiday on a Nuffield Research Placement and gain valuable work experience that will enhance your university application and career prospects.

- Are you studying one or more A-levels or Scottish Highers (or equivalent) in science, technology, engineering or maths?
- Do you want to apply your skills to a research project for a prestigious employer in your local area?

Please be aware, there are strict application criteria so check our website to see if you are eligible before submitting an application.

“Whatever area of science, social science, technology or maths you’re interested in, you should definitely apply for a Nuffield Research Placement. It’s a unique opportunity and will make you stand out from the crowd after you finish school or college.”
