Qualifications offered at this Centre are decided by the Head of Centre.

The qualifications offered at the school are AS/A-levels and GCSEs and other level 2 qualifications, although occasionally qualifications may be offered at entry level, level 1 and level 3.

The subjects offered for these qualifications in any academic year may be found in the School's options booklet or Post-16 prospectus. If there has been a change of qualification or awarding body from the previous year, the Examinations Officer must be informed by the middle of March prior to the qualification starting.

Decisions on whether a candidate should be withdrawn from an individual subject or all subjects will be taken in consultation with the candidate, parents/carers, Progress Leader, class teacher(s), Subject Leader(s) and the SLT line manager for examinations.

At Key Stage 3

All students will undergo an End of Key Stage 3 Teacher Assessment which will normally take place in the summer term of the year in which they end the key stage. This may take the form of an exam or other assessed work.

At Key Stage 4

All candidates will be entitled, and supported, to achieve an entry for qualifications from an external awarding body.

At Key Stage 5

All candidates will be entitled, and supported, to achieve an entry for qualifications from an external awarding body.

3. Examination seasons and timetables

3.1 Examination seasons

Internal exams are scheduled in the autumn, spring and summer terms, depending upon the year group.

External exams (A-levels and GCSEs) are scheduled in May and June, although GCSE resits may be offered by the School to members of its Sixth Form in a limited number of subjects in November. Some vocational exams are scheduled in November and January.

Internal exams, apart from the Year 11 trial exams, are not held under external exam conditions.

Which exam series are used in the Centre is decided by the Head of Centre, in discussion with Subject Leaders and the Senior Leadership Team.

3.2 Timetables

Once confirmed, the Examinations Officer will circulate the exam timetables for internal exams and external exams.

4. Entries, entry details and late entries

4.1 Entries

Candidates' entries are determined by Class Teachers in discussion with their Subject Leaders, where appropriate.

Requests from parents/carers, for a particular subject entry, change of tier or withdrawal will be considered by the Subject Teacher and the Subject Leader for the subject concerned, and where appropriate the Progress Leader for the year group concerned in discussion with parents/carers and will only be granted when it is felt by the school to serve the best interests of the candidate concerned. Withdrawal from a particular subject can only be granted by the Headteacher or Deputy Headteacher in charge of the curriculum.

The Centre may accept entries from external candidates at its own discretion.

4.2 Late entries

Entry deadlines are circulated to Subject Leaders via email.

Late entries can only be authorised by the SLT line manager for examinations based upon clear and detailed information as to the circumstances. Where entries are late or inaccurate due to poor administration on the part of a department, the Department's budget may be charged with the cost of the late fees incurred.

5. Examination fees

The Centre will pay all normal exam fees on behalf of candidates.

Late entry or amendment fees are paid by the Centre apart from when the amendment has been requested by the parents/carers.

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the timescales provided by the Examinations Officer.

Where examination re-sits are offered by the School, re-sit fees are payable by the parent/carer and are chargeable by per unit or award. This fee includes administration time and staff costs.

6. The Equality Act (2010), special needs and access arrangements

6.1 The Equality Act (2010)

All exam Centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

6.2 Special needs

A candidate's special needs requirements are determined by the SENDCO and educational psychologist/specialist teacher.

The SENDCO will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an exam. The SENDCO will inform subject teachers and parents/carers of any special arrangements that individual candidates can be granted during the course and in the exam. The SENDCO will also inform the Examinations Officer who will then inform invigilators.

6.3 Access arrangements

Making special arrangements for candidates to take exams is the responsibility of the SENDCO and the Examinations Officer. Both follow the JCQ regulations when determining whether a candidate qualifies for special arrangements, as outlined in the JCQ document entitled 'Access Arrangements and Reasonable Adjustments'.

The SENDCO will assess whether students qualify for special access arrangements.

Submitting completed access arrangement or special consideration applications to the awarding bodies is the responsibility of the SENDCO using the awarding bodies' published procedures.

Rooming for access arrangement candidates will be arranged by the Examinations Officer based on the information received from the SENDCO.

Invigilation for access arrangement and special consideration candidates will be organised by the Examinations Officer and support for the candidates during the exams will be arranged by the SENDCO.

7. Estimated grades/Controlled Assessments/Coursework

Estimated grades

Where it is an awarding body requirement to submit estimated grades, the Subject Leader will submit the relevant marks/grades to the Examinations Officer as requested in accordance with the School's own internal deadlines.

8. Managing invigilators and exam days

8.1 Managing invigilators and exam days

External invigilators will be used for all external exams and some internal exams.

The recruitment of invigilators is the responsibility of the Examinations Officer.

Securing the necessary Disclosure and Barring Service (DBS) clearance for new invigilators is the responsibility of the Director of Corporate Services.

DBS fees for securing such clearance are paid by the Centre.

Invigilators are timetabled and briefed by the Examinations Officer.

Invigilators' rates of pay are set by the Headteacher.

8.2 Examination days

The Examinations Officer will book all venues for examinations after liaison with other users and make the question papers, other exam stationery and materials available for the invigilators.

The caretaking staff are responsible for setting up the allocated rooms.

The Examinations Officer or an experienced invigilator will start all exams in accordance with JCQ guidelines.

Subject staff may be present at the start of the exam to assist with the identification of candidates for external examinations, but must not be in the venue once the examination begins.

In practical exams class teachers may be on hand in case of any technical difficulties.

Examination papers must not be read by teaching staff or Learning Support Assistants or removed from the exam room before the end of a session. Spare papers will be distributed to Subject Leaders 24 hours after the exam session.

9. Candidates, clash candidates and special consideration

9.1 Candidates

The Centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the Centre accepts no liability for their loss or damage. The School may also take disciplinary action against any students who disrupt an examination.

Disruptive candidates are dealt with in accordance with JCQ guidelines, details of this are on the 'Warning to candidates' posters situated inside and outside of the exam room. Details can also be found in the 'Information for students and parents/carers about exams' which is given to students with their Statement of Entry and which is also available on the School website.

All cases of suspected plagiarism of coursework/controlled assessment for external qualifications need to be reported to the Examinations Officer. Where suspected plagiarism of coursework/controlled assessment is reported this will be investigated by the Examinations Officer in conjunction with the class teacher and Subject Leader for the subject concerned and senior staff, where appropriate. Parents/carers will be informed where there are sufficient grounds for concern and awarding bodies will also be informed in accordance with their published policies and procedures, and, where necessary, the appropriate sanctions as laid down by the awarding bodies applied. The School may also take disciplinary action, where it deems this to be appropriate.

Candidates may leave the exam room for a genuine reason requiring an immediate return to the exam room, in which case a member of staff must accompany them.

The Examinations Officer will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines.

9.2 Clash candidates

The Examinations Officer will be responsible, as necessary, for supervising escorts, identifying a secure venue and arranging overnight stays for any students who have two or more external examinations due to take place at the same time on the same day. The School will take all reasonable steps to ensure that the security of the examination is not compromised.

9.3 Special consideration

Should a candidate be ill before an exam, suffer a bereavement or other trauma, be taken ill during the exam itself or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the Centre, the Examinations Officer, or the exam invigilator, to that effect.

The candidate must support any special consideration claim with appropriate evidence within three days of the exam, for example a letter from the candidate's doctor, copy of a prescription or appointment card.

The Examinations Officer will then forward a completed special consideration form to the relevant awarding body within seven days of the exam.

10. Coursework/controlled assessments and appeals against internal assessments

10.1 Coursework

Candidates who have to prepare coursework/controlled assessment should do so within the timescales laid down by their class teachers.

The Subject Leaders will ensure that all coursework/controlled assessment is ready for despatch at the correct time. The Examinations Officer will keep a record of what has been sent, when and to whom.

Marks for all internally assessed work and estimated grades are provided to the Examinations Office by the class teachers and the Subject Leaders. It is the Subject Leader's responsibility to ensure that these marks are accurately recorded and returned to the Examinations Office by the relevant deadline.

It is the Subject Teacher's responsibility to ensure that coursework/controlled assessment is stored securely. Any loss of coursework/controlled assessment needs to be reported immediately to the Subject Leader who needs to then consult with the Examinations Officer and their SLT link in order to determine how best to proceed.

10.2 Appeals against internal assessments

The Centre is obliged to publish a separate procedure relating to appeals, which is available from the Examinations Office.

The main points are:

- Appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded.
- Candidates may appeal if they feel their coursework/controlled assessment has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.
- Appeals need to be made in writing by before 1st May to the Head of Centre (or other nominee) who will decide whether the process used conformed to the necessary requirements.
- The Head of Centre's findings will be notified in writing, copied to the Examinations Officer and recorded for awarding body inspection.

11. Results, enquiries about results (EARs) and access to scripts (ATS)

11.1 Results

Candidates will receive individual results slips on results days either in person at the Centre or by post to their home addresses (candidates to provide a sae).

Results will not be given over the phone or sent by email under any circumstances and may only be collected by someone other than the candidate providing a letter is brought into the Centre by the nominated individual and verified by Centre staff. The nominated individual also needs to provide photographic identification. Arrangements for the School to be open on results days are made by the Head of Centre.

The provision of staff on results days is the responsibility of the Head of Centre.

Results and certificates may be withheld by the Centre where the candidate has money owing to the Centre. This includes amounts owed to our external catering contractor relating to purchases from the canteen.

11.2 Enquiries about Results (EARs)

EARs may be requested by Centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

If a result is queried, the Examinations Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a re-mark at either the Centre's expense or the candidate's own expense. The decision as to who meets the cost of any remark will lie solely with the Centre.

When the Centre does not support an EAR, a candidate may still apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

11.3 Access to scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of papers. This needs to be done within the timescales published by the awarding body.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE re-marks cannot be applied for once a script has been returned.

Any costs associated with requests for marked scripts made by parents/carers (rather than the School) must be met by parents/carers.

(See also section 5: Examination fees)

12. Certificates

Certificates are presented in person or collected and signed for.

Certificates may be collected on behalf of a candidate by a third party providing a letter is brought into the Centre by the nominated individual and verified by Centre staff. The nominated individual also needs to provide photographic identification.

The Centre retains certificates for one year after which time they are destroyed.
