FAQs

Do I have to
have studied
Sociology at
GCSE?

No-we will ensure you have a comprehensive introduction to the subject in the first few weeks. But if you have studied it before and enjoyed it, boy will you love A Level Sociology!

We are all part of society. Our actions shape society and in turn society influences who we are. Yet how much do we understand about it? This is where sociology comes in. The role of the sociologist is to try and make sense of the human world. Sociology is the study of people in society and by studying this course you will look at the issues that have contributed to the diverse and exciting world we live in.

Studying Sociology will help you develop a wide range of perspectives and a critical approach to understanding important issues that affect our lives.
