

Higham Lane School

16 to 19 tuition fund 2021 to 2022 academic year

The 16 to 19 tuition fund is ring-fenced funding for schools, colleges and all other 16 to 19 institutions who receive annual funding allocations from ESFA for the provision of 16 to 19 education, to mitigate the disruption to learning arising from coronavirus (COVID-19).

The funding is to support small group tuition for students aged 16 to 19 in English, maths and other subjects that have been disrupted, including vocational and/or academic learning. Students aged 19 to 24 who have an education, health and care (EHC) plan are also eligible for support. All students must be on a 16 to 19 study programme and the funding should be used to support the tuition activity above and beyond the programmes of education already planned. It is for students who:

- have not achieved a grade 4 or 5 in English and/or maths.
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support. These are defined as students from the 27% most economically deprived areas of the country based on the index of multiple deprivation.

Higham Lane School has been allocated £1,874 to fund this tuition. Small group tuition is being offered to students in both English and maths. The School has timetabled lessons as part of its curriculum offering in the 2021-22 academic year to deliver this. These lessons are in addition to the A-Level choices made by those students and will be delivered each week on Wednesday during periods 4 and 5. Groups will be no larger than five. The offer of this tuition has been made to all students not achieving a grade 4 in English and/or maths.
